SUBJECT: H.R. 2259 Davis-Bacon Reform Act of 1989

1. Attached for your information is a copy of H.R. 2259, the Davis-Bacon Reform Act of 1989, which was introduced by Representative Stenholm on 4 May 1989. The bill amends the Davis-Bacon Act so as to establish guidelines for determining the rate of pay for laborers, mechanics or helpers used to perform service under a government contract in excess of \$250,000 for work on a public building. The bill also amends the Copeland Act so as to require government contractors to provide wage statements to their employees at least every 3 months rather than on a weekly basis.

2. Any comments you may have on how the bill would affect Agency equities would be appreciated.
